

LIMITED WARRANTY STATEMENT

All new packaging equipment manufactured and supplied by INSITE Packaging Automation is warranted to be free from defects in materials and workmanship for the period of time specified in this statement. The warranty period commences from the date the equipment is shipped from our facility.

Base Frame.....Lifetime
INSITE Standard Components.....3 Years
Buyer Specified Components (if applicable).....1 Year

The following limitations and restrictions apply to this warranty:

- 1) The base frame limited lifetime warranty applies to structural and welding failures such as breaking, cracking or bending.
- 2) INSITE Standard Components include all non-wear parts that are fabricated or purchased by INSITE and incorporated into the supplied equipment. However, select standard components are warranted for less than three (3) years depending upon the original manufacturer's warranty. Consult with INSITE for warranties on standard components.
- 3) Buyer Specified Components include all non-wear parts that differ from INSITE's Standard Components and are incorporated into the supplied equipment per Buyer's specification requirements. However, Buyer Specified components are warranted for one (1) to five (5) years depending upon the original manufacturer's warranty.
- 4) Most wear components shall not be warranted. However, select wear components are warranted for one (1) to five (5) years depending upon the original manufacturer's warranty. A warranty claim against a wear part may be made if it is determined the part failed due to a factory defect. If it is determined the part failed due to a factory defect, the claim will follow the normal returns process. Consult with INSITE for warranties on wear components.
- 5) Wear and tear on the equipment that is considered standard in the industry shall not be warranted.

- 6) Equipment that is purchased by INSITE and incorporated into the supplied equipment shall be subject to the original manufacturer's standard warranty. Such equipment includes, but is not limited to, conveyors, accumulators, inspection systems and coders.
- 7) Unless specified otherwise, frame and component finishes shall not be warranted if the equipment is installed in a wet environment, or exposed to harsh cleaners or high-pressure wash downs.
- 8) Equipment that has been misused, poorly maintained, neglected, or improperly moved, repaired or altered by anyone other than INSITE or its authorized agents shall not be warranted. Corrosion on components not manufactured by INSITE shall be warranted as per the original manufacturer's standard warranty.
- 9) INSITE Packaging Automation shall not be responsible for any removal, handling, or shipping charges (including applicable duties, taxes and inspection fees) that the Buyer incurs to return a component for warranty evaluation.
- 10) INSITE Packaging Automation shall be responsible for the repair or replacement of components that are, in its sole determination, defective and covered by warranty. This responsibility includes handling charges, non-expedited shipping charges to return a component to the Buyer, and all applicable duties, taxes and inspection fees.
- 11) INSITE Packaging Automation shall not be responsible for any labor costs to reinstall components or for line downtime during repair.
- 12) This warranty is for the sole benefit of the original Buyer and is not transferable.
- 13) This warranty is in lieu of all other warranties, expressed or implied, or merchantability, or fitness for a particular purpose, performance or otherwise.
- 14) This warranty applies to new packaging machinery only. Modified or reconditioned equipment is not warranted..
